'/../../public/cache'); Break of the Week: Bluebook Refuels Do you know how many issues and changes of opinion the American Bar Association has issued in the last year and half? If you guessed zero, you're probably right. Despite the landmark Supreme Court ruling that brought them into being, bar associations have flown largely under the radar since their beginnings as social clubs for law students. As "non-profits," bar associations could not take take big pots of money and do big things, at least in the view of the Supreme Court. But that's all changing. While we're not looking at a sudden reversal of the law, perhaps more of a sudden realization of what bar associations could do, the case of the small case clerk at a well-funded bar association will help to make a big change in how bar associations can work. We're not going to get into the details of exactly how the small case clerk used their authority to get a minor raise after years of being
