Kali Siddhi is one of the five aspects (nadis) of Vishnu (Krishna, Shiva or Brahma). According to the Hindus, Kali Siddhi is the wife and one of the seven mothers of the god Vishnu (Krishna). In particular, Vishnu-Kali, like Krishna-Shiva, is the master of all beings, and she is one of the many aspects of Vishnu. Kali Siddhi is known for her beauty and strength. She is revered as Kali Durga. This is not the same Kali as Durga, it is her wife and mother, who is revered separately from Durga as the goddess Kali.
